

BONEBANK-Conference – The German-Danish Biobank and Innovation Platform for Stem Cells in Bone Regeneration

Date/Time: Thursday, 20. August 2020, 9.30 – 13.00 h

Venue: Web-conference

Host: Lina Niessen, University Medical Center Schleswig-Holstein, Campus Lübeck

Support: Gesine Stück, DSN and Isabell Faad, Winglet

Platform: www.bonebank.winglet.live

Time	Topic	Presentator
09.30	Welcome	Ralf Duckert, DSN Connecting Knowledge
09.35	Scientific Round table on “Non-union and stem cell therapy”	
	PhD Ole Birger Vesterager Pedersen Department of Clinical Immunology, Næstved Hospital	
	Prof. Philipp Niemeyer OCM Klinik GmbH, Munich	
	Prof. Hagen Schmal Medical Center Freiburg (formerly Odense University Hospital)	
10.20	<i>Break</i> <i>Demo:</i> Online Competence Atlas DE-DA	Dr. Anna Eckers, Life Science Nord
10.30	BONEBANK – the project	Prof. Arndt-Peter Schulz, BG Klinikum Hamburg
10.50	Injection device	Lina Nießen, University Hospital Schleswig-Holstein
11.00	CQ - Cell quality for biobanking	Prof. Timo Gemoll, University of Lübeck
11.20	Smart data – challenges and opportunities	Kai Diercks, soventec GmbH
11.40	<i>Break</i> <i>Video:</i> <i>BONEBANK datacenter platform</i>	
11.50	Clinical study “First in human”	Prof. Hagen Schmal, Medical Center Freiburg

Time	Topic	Presentator
		(former Odense University Hospital)
12.10	Production of a GMP-compliant stem cell product	Susanne Saekmose, Næstved Hospital
12.30	Clinical application of the BONEBANK stem cell harvester	Dr. Robin Büscher, Stryker Trauma GmbH
12.50	Questions & Answers	Moderation: Ralf Duckert, DSN Connecting Knowledge
13.00	End of the conference
